

Dear kanthari friends,

After months of working on kanthari changemakers online learning portal, very soon - on the 8th August, for the first time in history more than twenty kanthari graduates from around the world will meet together in person - in the heart of Africa: Kampala, Uganda!

THIS IS HOW YOU CAN BE PART OF IT:

Grassroot² Changemakers & Innovators Summit – August 9th Land Star Hotel, Makindye, Uganda – 10.00-12.00: get to know each other: open space & exhibition exercise, 12.00 – 16.00 exchange of good practices thru panel discussions with organizations supporting changemakers, public institutions, policymakers and changemakers involved in international capacity building initiatives for grassroots activists. More info: www / [FB](#) / [tickets](#)

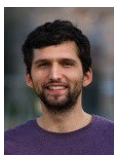

Strength through Solidarity Evaluation Course – August 7-14th Social Innovation Academy, Mpigi Hills, Uganda. The spice of diverse kantharis from Africa, Asia, Europe and Latin America will meet the spirit of changemakers from the SINA academy. So that together we build the capacity of our organizations and improve on how we evaluate our social impact! More info [here](#).

Mobility Assistants needed for the above course! - *What you get as a mobility assistant? Fully sponsored 7day simple accomodation, food, transportation for the summit, field visits and visit to Forest Reserve. Refund of public transport from your city of residence to training venue.*

What is expected from a mobility assistant? - mobility assistance, sighted guide, orientation for 2-3 visually impaired participants of the training - to act as a group coordinator during field trips - hospital visits in emergency situations. [Apply here before 31st of July!!!!](#)

Kanthari changemakers web portal – online – those of us who cannot come to Uganda we would like to encourage to check out the e-courses prepared by kantharis like Yoshi, Anja, Joanne, Tiffy, Samuel, Tijana, Jessi, myself or other activists like Anca and Kasia. The training topics include: fundraising, intercultural communication, advocacy, e-course development, volunteering etc. More info: www.networkofchange.org/courses/

Do you or anyone you know have a dream of social change? www.kanthari.org/admissions/
